

What Are Some Berkeley Lab Safety Culture Improvement Activities?

Safety Spot Award Program: Recognizes and rewards outstanding individual and/or team efforts.

Safety Concerns: Individuals can contact the EHSS Division by telephone or an online form for reporting safety concerns and observed hazardous conditions.

Director's Achievement Awards (Safety): Annual awards program to honor exceptional achievement by laboratory employees. One of the award areas is accomplishments and leadership in promoting a safety culture.

Annual Safety Video Contest: The top five videos are selected by the EH&S Communications Committee and Lab Management, and the Lab community votes for the three winners.
